RECEIVED YOU

Instituted by the Ministry of Agriculture, is  
is in direct charge of the management,  
to make it possible for farmers in the  
area who have no tractors to use  
machinery for farm work.

The tractors are rented to those who apply  
for them, even for long periods.

The rent is very high, however, which  
largely cancels the advantages of using  
tractors instead of animals.
